Grand Removal Piano Sale!

Bui'ding must be vacated at once and every Piano must go.

No greater Piano bargains ever known.

The announcement of our Removal Sale sacrifice of our entire stock is of vital interest to every home in New England without a piano. The short time (two weeks) in which we must vacate, and the large stock of well known makes form an opportunity of

a life time. Every piano must go-no regard is paid to former prices, but all are marked at sacrifice prices to sell at once. This is in no way a bargain sale of cheap planos. We carry the finest makes in the world, and they are all included in this sale, We have simply got to vacate and must sell all the stock. Here will be found a magnificent stock of pianos mostly brand new at 1-3 to 1-2 the regular price. There are but few houses in the country that carry so large a stock, and for this reason this sale will be one of the greatest piano sales ever held. Hallet & Davis, Conway, Ivers & Pond, Chickering, Schleicher & Sons, Packard, Haines & Co., Marshall & Wendell, Wasserman, Vose & Son, and other makes will be found

> Regular off ciai prices \$350 \$275 \$400 \$450 NOW SELLING AT \$235 \$265

COALING STATION.

Railroad Provides Elaborate Arrange ments for Water, Coal and Sand.

Within a fortnight the \$25,000 coalng station which the New Haven road s erecting at Bank street junction Waterbury, and which is said to be Waterbury, and which is said to be the best on the system, will be completed. Besides receiving their supplies of coal at this place, arrangements will be provided for furnishing the locomotives with sand and water. A novel method will be employed for drying the sand. It will be placed on screens over heaters, and as the dampness leaves it will sift down into bins. The coal will be hoisted into the immense bins by means of electric conveyors, and it will go down into

Was Perfectly Bald When He Started to Use Newbro's Herpleide.

Frederick Manuell, Maryland block, Butte, Montana, bought a bottle of Newbro's Herpleide, April 6, '29, and began to use it for entire baldness. The hair follois in his scalp were not dead and in 20 days he had hair all over his head. On July 2 he writes, "and today my hair is as thick and luxuriant as any one could wish." Newbro's Herpleide works is as thick and luxuriant as any one could wish." Newbro's Herpleide works on an old principle and with a new disconnecticut, where about four times on an old principle and with a new disconnecticut, where about four times as much coin would be required in the distance of the children attracted the profectually quenched the fire. The cries of the children attracted the attention of Miss Estelle Murriary and fined \$2 and costs of \$2.80, and began to the war folled him in the wet grass and thereby effectually quenched the fire.

The cries of the children attracted the attention of Miss Estelle Murriary and the attention of Miss Estelle Murriary and the attention of the attention of the attention of one of Dvorak's in the distinction of the attention of the attention of the attention of the children attracted the determination of the street was found the effectually quenched the fire.

The cries of the children attracted the attention of Miss Estelle Murriary and the attracted the attention of the attention of one of Dvorak's in the distance of the children attracted the attention of the same paid to the relief to the developed to the children attracted the attention of the attention of the attention of the a move the effect. Herpicide destroys the germ that causes dandruff, falling hair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. Sold by leading drugglats, Send ide, in stamps for sample to The Hernicide Co. Detroit. Mich.

> In accordance with the terms and condtions of an agreement between George W. Mansfield of Wester! and George W. Mansfield of Wester' and the Industrial and Manufacturing company of Mystic, and in order to determine the reasonable selling market value of the property, according to the agreement, six building lots were sold by Auctioneer Eugene B. Pendleton, Friday morning. The lots are located north of the Ninigret mill and east of the railroad tracks. The six were purchased by Mrs. Sadie

An automobile owned by C. L. C. Robinson of Newport skidded from the trolley track in front of James A. Welch's stable office, in West A. Welch's stable office, in West Broad street, Friday afternoon, and struck one of Mr. Weich's cabs, smanhing a forward wheel, bending the sxis and doing other damage to the cab. The automobile was not damaged. Mr. Robinson stopped to ascertain the extent of the damage cost. and was ready to settle for the cost of repairs. Mr. Welch was not present and there was no one to estimate the cost. Mr. Robinson left his card and request that the bill be sent to him and be would forward check in settlement.

. James Howard, the seven years old son of Mr. and Mrs. Thomas F. Howard, was severely burned Friday aft-

for drying the sand. It will be placed on screens over heaters, and as the dampness leaves it will sift down into bins. The coal will be hoisted into the immense bins by means of electric conveyors, and it will go down into the tenders of the locomotives through chates. About ten seconds will be required to fill a tender. From the watering tank spouts will extend over the northbound and southbound tracks.
